**NEW SUMMER STORY UP NOW AT THE BRYANT-
MAMARONECK PARK *STORY WALK***

White Plains, NY – June 2, 2016. We're kicking off the summer season with a new book on the Bryant-Mamaroneck Park *StoryWalk*. The kids will love "If All the Animals Came Inside," by Eric Pinder. The story invites all readers to join one family's wild romp as animals of all shapes and sizes, including bears, kangaroos and hippos, burst through the front door and make themselves right at home. It's a fun and exciting book that will have everyone in the family laughing, as well as enjoying the beautiful illustrations by Marc Brown. This month's *StoryWalk* will run through Tuesday, July 5th.

The *StoryWalk* combines a children's story with a popular walking route. Children's books are selected, the pages separated, laminated, and placed along a walking path at regular intervals so readers can follow the story as they walk the route. The *StoryWalk* is a great way to inspire parents, teachers, and care givers to take young children on a short stroll that will be fun for all.

For additional information, please contact the Recreation and Parks Department office at 914-422-1336. Look for updates on the changing stories on the [Recreation and Parks Dept](http://www.cityofwhiteplains.com) website.

About the Park:

The Bryant-Mamaroneck Park is located on the corner of Bryant and Mamaroneck Avenues. The park entrance is on the Mamaroneck Avenue side. Parking is available in the City of White Plains Mamaroneck Avenue parking lot (lower level).

Bryant-Mamaroneck Park opened to the public in October 2014. It offers residents a half-mile looped walking trail in a natural park setting. The property has been owned by the City of White Plains since 1950 and was dedicated as parkland in 1988. It had been a long standing goal of the City to utilize the parcel as passive parkland that is open and accessible to the public.
